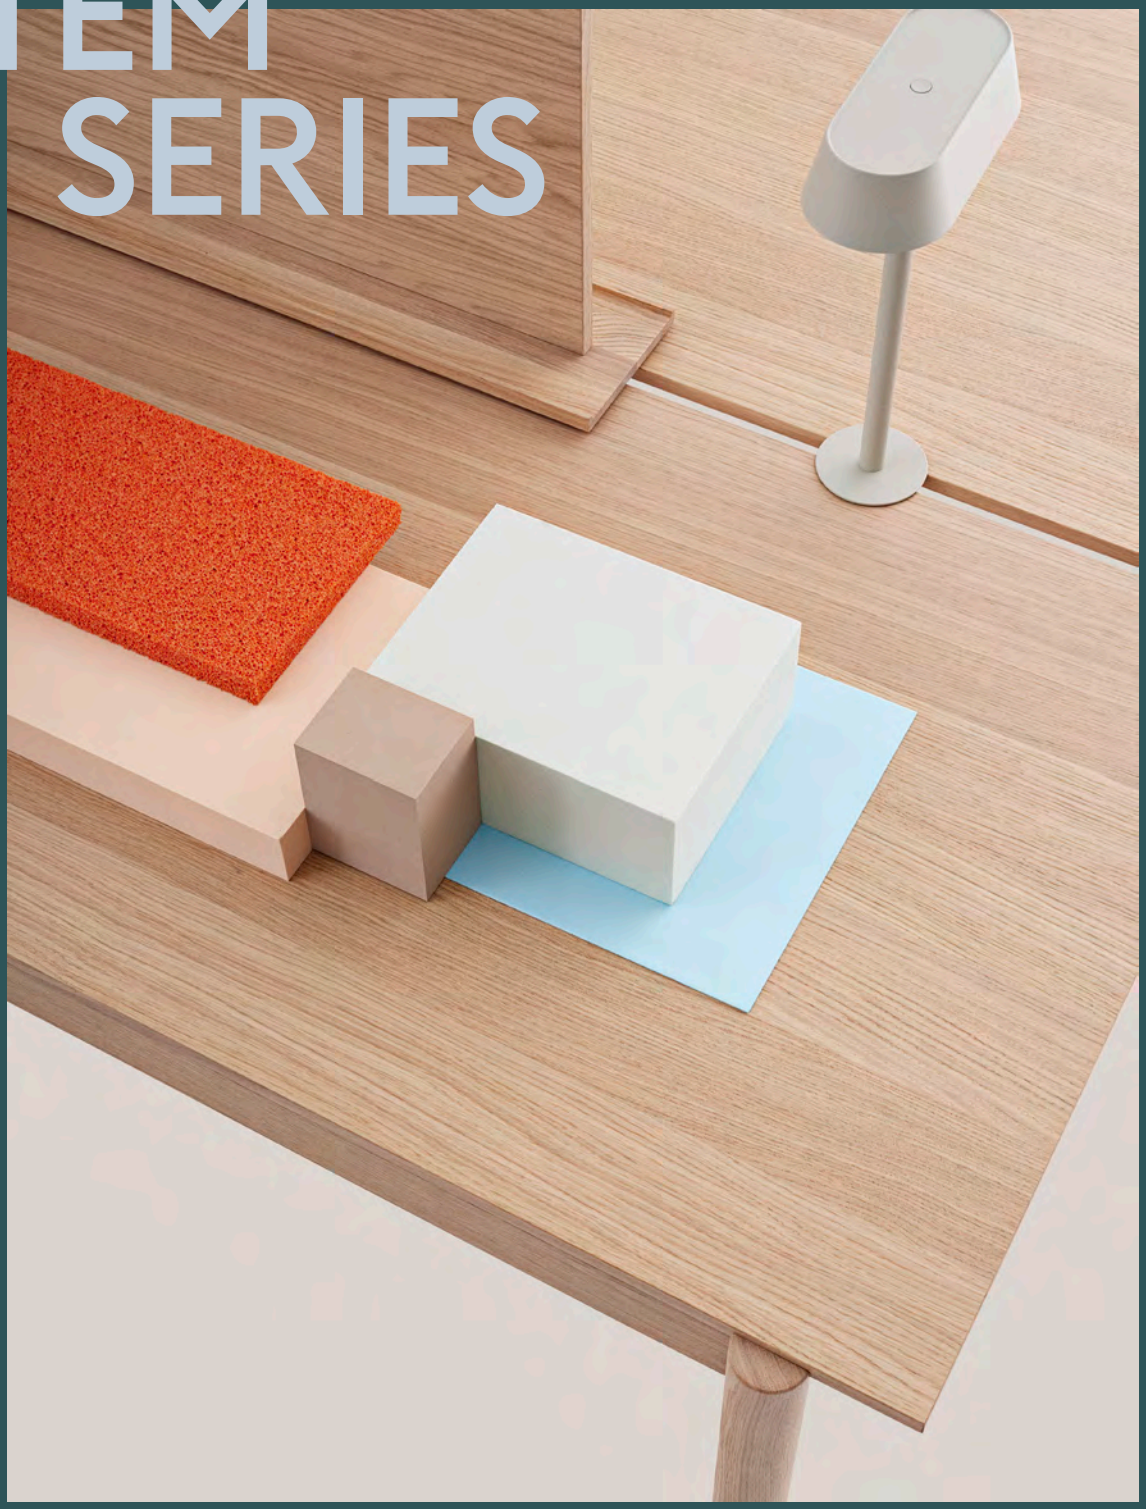
LINEAR SYSTEM SERIES



MUUTO

CREATING CONFIGURABLE, WELCOMING SPACES

"The Linear System Series places people at its center, being a place to meet, to collaborate or to work in focused solitude. With its warm materiality and modern expression, the Linear System Series brings feelings of home into larger spaces to give the user a sense of belonging, even if being there only for a little while."

— Thomas Bentzen

Linear System Table Configur

ation I with a selection of lamps and accessories.

Fiber Side Chair Swivel Base w/Castors & Gas lift
by Iskos-Berlin

The Linear System Series brings a new perspective to the evolving needs of the modern workspace, hospitality settings and educational institutions through its configurable design across tables, lighting, screens and trays alongside its custom integrated power solution, allowing one to tailor the design to the exact needs of any space.

FAMILIAR FEELINGS OF HOME

Designed in oak that echoes the warm touch of Scandinavian design and various options for table top finishes, the Linear System Series brings inviting feelings of home into any space.

When configured with lamps and accessories, the design hints towards the archetypal library settings where users can sit down in a temporary yet personal workspace while having a sense of atmosphere as part of a larger space.

LINEAR SYSTEM TABLE

A MODULAR TABLE SYSTEM FOR YOUR EXACT SPACE

The Linear System Table is a simple yet refined table with subtle details and references to the Scandinavian design heritage. Its legs are cut into half-circles and joined with the table for a light look while the slender overhang at both ends of the table make for a refined expression.

The Linear System Table is available as a freestanding table to be used on its own, as predesigned configurations or as modular tables that can be configured to the exact needs of your space.

MATERIALS
Table frame in oak veneer and legs in Solid Oak. Tabletop in Oak Veneer, Black Nanolaminate or White Laminate.

TESTS, LABELS & CERTIFICATIONS
EN 15372:2016 - L3: Extreme use. Furniture – Strength, durability and safety – Requirements for non-domestic tables.
EAC
EUTR - EU Timber Regulation.
TSCA Title VI - Formaldehyde.

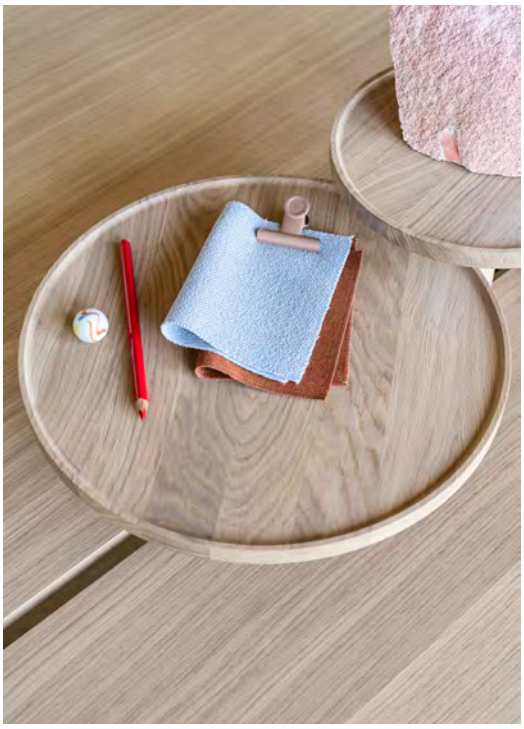
LINEAR SYSTEM ACCESSORIES

TAILOR THE DESIGN TO YOUR SPATIAL PURPOSE
A selection of trays and screens create a variety of possibilities for both open and more private spaces. Screens can easily be moved around to create temporary work zones while bringing emotions of Scandinavian design to any setting.



Linear System Screens
The Linear System Screens create intimate atmospheres without shielding from the outside world. The screens also feature a small foot on each side upon which smaller elements can be stored.

Linear System Trays

The Linear System Trays have an inviting look that makes its user gravitate intuitively towards them.

The trays can be used to create smaller spaces within the setting while allowing for objects to be stored on their plateau.

Linear System Screen 178 cm / 70.1"

Linear System Screen 125 cm / 49.2"

Linear System Screen 75 cm / 29.5"

Linear System Tray 170 cm / 66.9"

Linear System Tray Ø 36 cm / 14.2"

Linear System Tray Ø 24 cm / 9.5"

MATERIALS
Screens in solid oak and oak veneer with powder coated aluminum fixing knobs.

READY-TO-SHIP OPTIONS
Screens: Oak/Oak Veneer
Trays Ø24 & Ø36: Solid Oak
Tray 170 cm: Oak/Oak Veneer

LINEAR
LAMP SERIES

ADDING ATMOSPHERE TO YOUR SPACE
Add modernly functional lighting to your Linear System design through the Linear Pendant Lamp, Linear Mounted Lamp or Linear Table Lamp, making for an aesthetically coherent configuration.

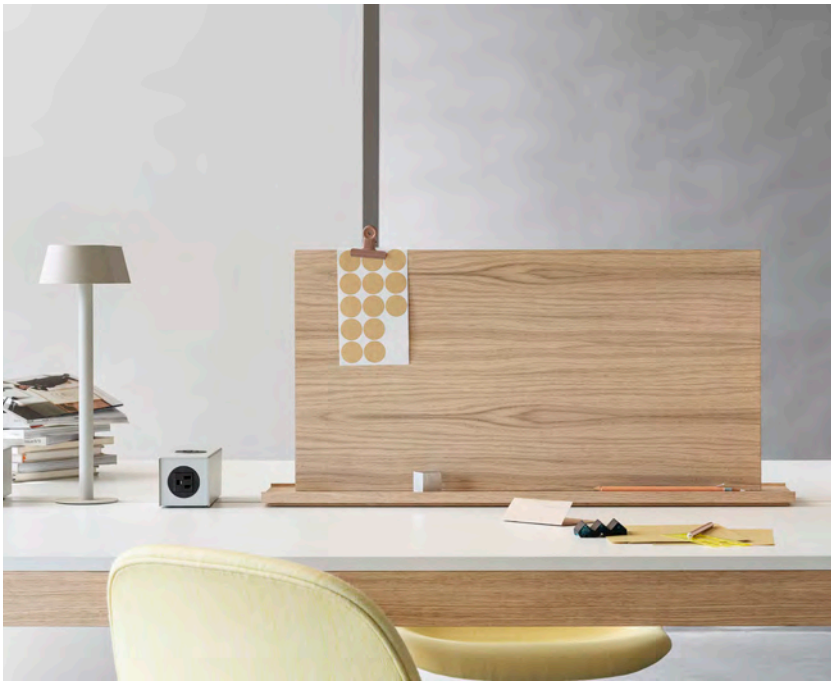
The Linear Lamp Series enhances the atmosphere of the room while allowing the user to adjust them to individual preferences through the dimmable functionality.

The Linear Mounted Lamps are mounted with fixing knobs, allowing you to easily rearrange according to the evolving needs of your space.

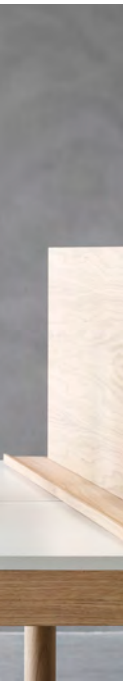
Linear Mounted Lamp - 209 cm / 82.4"
Hinting towards the archetypal library lamp through its modern expression and simple lines. Its large size creates a small atmosphere within larger spaces.

Linear Mounted Lamp - 23,2 cm / 9.1"
Its simple lines and elegant surface makes it a friendly complement to any setting alongside its dimmable light.

Note: The Linear Mounted Lamp does not have a standard plug. Instead, it must be connected to the Linear System Power Solution, shown on page 26.



Linear Pendant Lamp - 169,2 cm / 66.6"
Creates larger settings within a space while providing overhead lighting and complementing the atmosphere within a room through its elegant profile.



MATERIALS
Lampshades in powder coated, pressure die casted aluminum. Stem in powder coated steel with diffuser in polycarbonate. Cord in PVC. Mounted Lamps are mounted with powder coated aluminum fixing knobs.

DIMENSIONS

LINEAR SYSTEM TABLE POWER OUTLET & POWER SOLUTION

A COHERENT LOOK WITH THE LINEAR TABLE POWER OUTLETS

The Table Power Outlets are simple in their design and functionality. With their minimalistic design in sheet metal, they become decorative elements placed across the table.

The Table Power Outlet can be mounted on the table and has two outlets (one in each end) to which standard plugs can be connected as well as a USB-A and USB-C plug. The Table Power Outlet must be connected to the Power Solution, shown on page 27.

SPECIFICATIONS

IP20 CE

MATERIALS

Table Power Outlet is made from powder coated metal with power plug and USB plug in PP. It comes with a powder coated aluminum fixing knob.

READY-TO-SHIP

Table Power Outlet

Black, Grey

EASY POWER ACCESS

The Linear System Series features a tailormade Power Solution for all Mounted Lamps and Table Power Outlets, so that all cables are seamlessly integrated. Cables are stored in the Cable Tray.

The Cable Tray, made in recycled PET felt, can be mounted underneath the table.

Linear System Power Solution

Note: Each Power Kit has five outlets to which up to five Linear Mounted Lamps or Linear Table Power Outlets can be plugged in. See the How-To-Order Guide for more information.
