

# JOHANSSON | 2024

# Let us inspire you

EN

Johanson has reached an international audience with timelessly designed furniture since 1953. The collaboration with several of the top designers is long-term. All manufacturing takes place in our own factories with great flexibility. For example, 400 RAL colors are offered through our Multicolour system. For us, the sustainability of our furniture is a given.

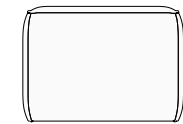

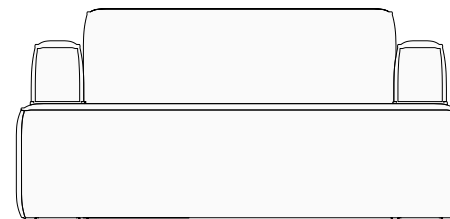

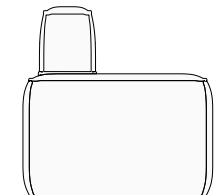

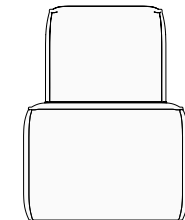

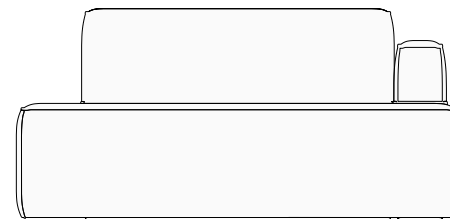

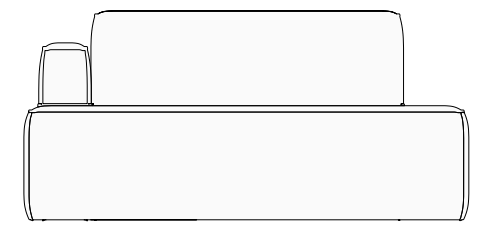

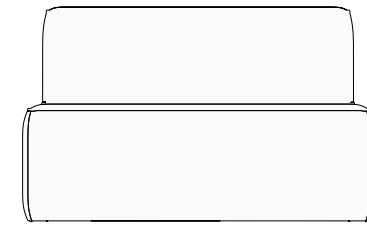

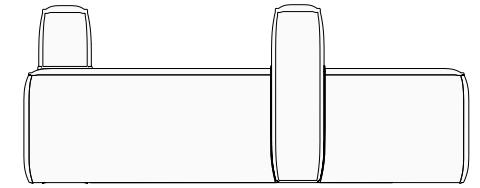

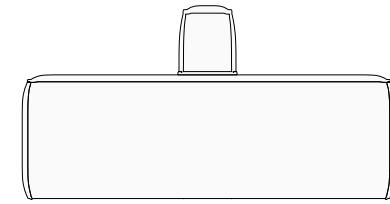

DE

Johanson hat seit 1953 ein internationales Publikum mit zeitlos designten Möbeln erreicht. Die Zusammenarbeit mit mehreren der führenden Designer ist langfristig. Die gesamte Herstellung erfolgt in unseren eigenen Fabriken mit großer Flexibilität. Zum Beispiel bieten wir 400 RAL-Farben durch unser Multicolour-System an. Dass unsere Möbel nachhaltig sind, ist für uns selbstverständlich.
